Topics and Projects of the Student Representation
SVV

What are we doing here today and who are we?
What is the Student Representation?

- Student representation **for the whole university**
- Official representation of interests towards professors and university management
- Organization of events and sales point for tickets
- Contact point for questions concerning the university and student groups
Structure

University Politics

Schools
Our work
Presidential elections
University Politics

- New department aerospace and geodesy up and running
- No major changes for the students
- Student representatives established

Co-designing new campus & faculties
University politics cont‘d

Places to study, meet and relax

• StudiTUM-Houses on the main campus & in Garching opened already
• Music room in Garching still closed, partial opening in the evening planned
• StudiTUM-House in Weihenstephan to be opened in spring next year
University politics cont‘d

Academic and examination regulations

- Adjustment of the APSO (General academic regulations) planned
- Changes include modernization
- One focus of us: correction of thesis in two months
University politics cont’d

We are excellent again!

- A lot of cash, mainly for research
- New governance structure => faculties become schools
University politics cont'd

New President

- Wolfgang A. Herrmann => Thomas F. Hofmann
- New president elected last year
- Started his work as of 1st of October
